Spring Clean-Up Campaign Set for April 15th

The dates have been set for an annual spring CLEAN UP CAMPAIGN for this year from April 15 to June 15th. We would like full cooperation of each and every citizen of the City of Grayling.

As you know we won a Distinct Achievement Award in recognition of our last year's outstanding Clean up, Paint up, and up campaign in the National Clean Up Achievement Award contest. This was a nice award for the first time in entering. The contest has been going on for years. With a little more effort on our part and before and after, we will try and win the trophy for Grayling for the contest. This kind of publicity, can not buy for the City.

We want to attract tourist and industry to locate in our area. It's all get behind the committee and fix up. If you have a shed to be torn down or need, will you please call the Commission 348-9314 and bring a picture. "Before" and "After" for our 1966 scrapbook? plan to plant the flowers a year on each side of U. S. 1. Grayling gets very good credit for this project. Mr. Fred has donated \$200.00 toward the cost of the flowers for this year. We will have to solicit the other \$800.00 from the local residents. We know you will want to help us with the funds for this venture.

The following people are on our participation committee and would like a few more volunteers. This is very rewarding work and a job well done. Arnold, Earl Broadbent, Iola Abbott, Dr. P. A. Bosch, Donnett, Robert Wright, B. O. Beck, Barbara Smock, Ruth Fen, Thelma Madsen, Burton McJannet, Derek McFeters, Clarice Goss, Lillian Cox and Leonette. Please call up and volunteer your help. Many hands make light work.

Lora Gould, Housing Director and General Chairman

Extend Office Hours for Medicare Sign-Ups

Extended office hours for the adverse City Social Security office were announced today by E. O. Oles, district manager for the Social Security Administration.

In order to facilitate Medicare enrollments, the office will remain open from March 26 from 9 a. m. to 5 p. m. On Monday through Thursday, March 28-31, the office will be open from 9 a. m. to 5 p. m. Mr. Wiles pointed out that March 31 will be the last day for those born before January 2nd, 1901, to sign up for Supplementary medical insurance. The help pay doctor bills and other expenses not covered under the hospital insurance plan.

Good News For Local Children With Reading Problems

Ninety-one children with reading problems in the Grayling Public Schools and St. Mary's will receive special attention in the form of corrective reading instruction, counseling and guidance as a result of \$18,139.63 received by the Grayling School District as provided under the provisions of Title One of the Elementary Secondary Education Act of 1965. The amount has been officially approved by the Acting State Superintendent of Public Instruction according to work received by Superintendent Joseph Stripe last week.

The children involved are in grades four through ten and were recommended as needing additional help in reading by their classroom teachers. Fraser Dean is in charge of the new program. Mrs. Sharon Lee Berni has taken over her previous duties as English teacher in the 7th and 8th grades. Mrs. Berni graduated from Central Michigan University in 1960. She has a professional certificate in secondary education with a major in English.

The most up-to-date teaching materials and equipment amounting in cost to over ten thousand dollars have been ordered to assist with the project.

A plan will be submitted in the near future for a summer reading and recreation program also under the E. S. E. A. act.

Community Calendar Drive To Begin April 1st

"The big city does have some advantages but there is nothing as friendly and comforting as living right here in Crawford County," Ivan Nethers, chairman of the Grayling Band Boosters Community Birthday Calendar, said.

The Community Birthday Calendar certainly can help make our

Grayling Concert Choir To Sponsor Travelogue

HALF DOME IN YOSEMITE NATIONAL PARK — Just one of the exciting scenes Mr. Robert Brouwer will be showing in his multi-screen travelogue Tuesday evening, April 5 at the High School.

On Tuesday evening, April 5, the Grayling High School Concert Choir will sponsor Mr. Robert Brouwer, and the most unusual travelogue ever shown in Crawford County. The title of this presentation is "Of Thee I Sing" and it portrays the United States from coast to coast. This is more than the average run of the mill travelogue that is shown quite often throughout the country. Instead of narrated motion pictures, Mr. Brouwer uses three ten-foot square screens and four slide projectors, all at the same time. The entire presentation is backed up with the finest of taped, stereo-phonetic music obtainable. This is indeed an experience which every American should have.

Mr. Brouwer is a resident of Grand Rapids, where he has been in the electrical contracting business for several years. His electrical training has proved valuable in planning and designing much of his special equipment.

Band Students Win Honors

By Jeanette Skolasky Band Reporter

On Saturday, March 19, Grayling High School Band students, Bob Ashman, Linda Christian, Kay Jansen and Judy Smith went with Mr. Christian to Midland to take part in the District Solo Finals. They were entitled to go because they had received I-Division ratings at the Solo and Ensemble Festival in Elk Rapids.

Bob Ashman, Linda Christian and Kay Jansen played a trumpet trio. Judy Smith accompanied them on the piano. They received a II Division rating for their performance of "The Bugler's Holiday." The judges said that their rating was close to a I.

Bob Ashman received a I Division rating for his cornet solo. He was accompanied by Kay Jansen. This was the first year that a Grayling Band student received a I at the District Finals. We would like to congratulate these students for their excellent performances. It was a job well done.

NAMED TO CHRISTEN NEW SUB 'GRAYLING'

The new submarine GRAYLING is going to be christened by Miss Lori Brinker, the only daughter of the late Commander Robert M. Brinker, who was lost with his ship when the original GRAYLING was destroyed on patrol duty in World War II.

This word came this week from Congressman Elford A. Cederberg, of the 10th District, who has been coordinating the interests of Grayling citizens with officials of the Navy.

The launching is to take place on September 17 at Portsmouth, New Hampshire.

Meet With Contractors For Polyhedron Building

James Steubner, president of the Structural Plastics Company of Minnesota, Mr. Owen Johnson of the Community Facilities Administration of Detroit and Mr. Ben Schenck of the Economic Development Administration of Traverse City met with various electrical and structural contractors at the Grayling Sports Park Thursday in regard to the erection of the polyhedron building which will become the new recreation lodge at the park.

Mickey Stillwagon accompanied Virgil Oldham of Marble Electric Co. to Angola, Indiana last week to dismantle a Pomalift and chair lift manufactured by the same company and bring them here to be installed at the Grayling park.

Most of the chair lift components had arrived the first part of the week and installation of the facility was to begin immediately.

Grand Rapids, where he has been in the electrical contracting business for several years. His electrical training has proved valuable in planning and designing much of his special equipment.

Mr. Brouwer's slides have won for him many awards in the field of photography, some on national significance. Recently he was given an award by the United States Government for his presentation "Of Thee I Sing" as being the best tribute to the United States of America. Recently, travel officials of the country of Holland, who had seen his work, commissioned him to produce a similar travelogue of the Netherlands, underwriting all his expenses — an unprecedented arrangement in the travelogue field.

"Of Thee I Sing" presents a panoramic travelogue of many of the great scenic wonders of our country. Included are: the mighty Niagara Falls, autumn color in Vermont, imposing Washington, D. C., Colonial Williamsburg, Gettysburg, Grand Canyon, Maine, Watkins Glen, Jamestown, Zion and Bryce Parks, Disneyland, Yosemite, Glacier Lake, the Pacific Coast, Glacier Park and much more.

Mr. Brouwer will be showing the first portion of his travelogue to the students of the elementary school on the afternoon of April 5. That evening he will be presenting a coast to coast panoramic view of the United States in the High School Gym, beginning at 8:00 p. m. Tickets can be obtained by contacting members of the Grayling High School Concert Choir.

Maynard-Kline To Direct Festival Chorus

Mr. Maynard Kline, distinguished faculty member of the University of Michigan School of Music will be the guest conductor of the mass choir program to be held the evening of March 26, at the Gerrish-Higgins High School Gym. The concert will be held in conjunction with the District IX High School Choral Festival to be held earlier that afternoon.

The participating choirs will be from Alpena High School, Alpena Catholic Central High School, Atlanta High School, Beaverton High School, Gerrish-Higgins High School, Grayling High School, Pinconning Area High School, Oscoda Area High School, Rogers City High School, and Tawas Area High School.

City Housing Officials Attend Chicago Meets

President Leon Rochette and Executive Director Lora Gould of the Grayling Housing Commission were in Chicago Monday and Tuesday for the final schematic review of the local project. They met with architects and with P.H.A. officials Monday and Mrs. Gould again with the bookkeeping department on Tuesday. Further reviews of design, working agreement, etc., are scheduled for later dates.

County Democrats Elect Chairman

At a regular meeting held Monday evening, March 14th at the Courthouse, John Horton of M-72 east was elected County Democratic Chairman.

A general discussion was held. It was decided to hold the next regular meeting on Monday, April 11th, at the South Branch Town Hall, 8 p. m. An election to fill the office of vice-chairman will be held at this meeting.

Grayling Winner In Quarterfinal Ousted In Semi

The Ishpeming Hematites rolled to an easy 77-53 victory over the Belding Redskins in a State Basketball quarterfinal game in the Grayling High School gym last Wednesday evening.

Throughout the game, the Upper Peninsula team led most of the way. Paul Valenti paced the winners with 21 points in the Class B contest.

The Hematites were ousted on Friday night at Lansing in a semifinal game by Grand Rapids East Christian 54 to 49. The Christian team took an early lead and went on to win with Vandewande hitting 28 points for the winners. Zhulke with 14 was high for Ishpeming. Grand Rapids East Christian went on to the finals on Saturday and upset the dope bucket by halting River Rouge 76 to 66. River Rouge had been State Class B champions for the past 5 years. Vandewande again led the Christians with 36 points. Kuiper added 22. Price with 18 was high for Rouge.

State Police Working On Four Break Ins

The Grayling Bay Service Station at 409 Cedar was broken into some time between closing Wednesday, March 9th and opening Thursday, March 10th, and \$100 and the cash drawer taken from the building, according to owner John Galloway. The safe was also gone through and the drinking fountain turned on and left running. State Police from the Houghton Lake post investigated the break-in and are working on it.

A window at the Black and White Market at Cedar and Ottawa was broken last Wednesday night, March 16th and the garage doors opened to gain entrance to the building. The damage was discovered Thursday morning by Arleight Wilson and Bill Johns, and State Police from Houghton Lake called in to investigate. An inventory check disclosed that nothing had been taken.

Also Houghton Lake Post State Police are investigating two burglaries which occurred near the Wakeley Bridge on the AuSable River.

The thieves took about \$35 worth of miscellaneous goods from the Arthur Wakeley general store at Down River Road and Wakeley Road, and scattered papers and merchandise all over the store.

Senior Citizens Homestead Tax Exemption Amended

"Lily Day"

Lily Day is one of the traditions of the Easter season in Grayling and on April 2nd about twenty youngsters between the ages of 10 and 15 will sell lilies on the streets of Grayling to help the Easter Seal Society raise funds for crippled children and adults.

When you buy your lily, you are helping the handicapped in two ways as your contribution goes to provide services for the crippled and it also benefits handicapped workers who make the lilies. Last year's Lily Day sales combined with other income received during the annual Easter Seal Campaign made possible all the services which have been given and equipment available for us in our county.

Production of the lilies is a homebased program for the handicapped, in a number of states. More than two and one half million paper flowers are used in Lily Day sales each year. Each flower is made by hand and carries a tag reading "This Lily Was Made by a Handicapped Employee of the Easter Seal Society." The Easter Seal campaign began March 1st and ends April 10th, on Easter Sunday. This year we are going to handle the sale a little differently. Any child wishing to sell "Lilies" on the streets April 2nd, is asked to bring a note from home stating that your mother or father approves of your doing this. The note is to be brought to either Mo McNamara or Lora Gould by Wednesday March 30th, so supplies can be prepared for you. No one will be allowed to sell on April 2nd who hasn't complied with this request. Children 9 to 14 years of age are eligible. There will be prizes given to the three children selling the most "Lilies".

Lora Gould and Mo McNamara, Lily Day chairmen for Crippled Children.

FRIENDS

Your breath can save a life. It's as basic as one, two, three. Clear the air passage of any foreign object, pull the chin up, and blow. So counseled the Red Cross film reviewed at the March Friends of the Library meeting.

A written report by Bill Golaick regarding small craft was read before the film on small craft safety was shown. Crawford County had 15 boat liveries registered with the Michigan Waterways Commission in 1965, with a total of 25 boats and 592 canoes inspected and approved by the Sheriff's Department, which also has charge of all marine enforcement. Each livery must have a safety certificate.

The business meeting was conducted by Mrs. Leo Post. Ideas and suggestions for retiring the \$15,000 mortgage were discussed as well as housekeeping problems resulting from the weather changes. Coffee and home-made cookies were served by Mrs. Lewis Konvicka during the program.

The librarians and a few helpers will make their quarterly visit to Traverse City this Thursday to exchange books and records from the Grand-Traverse Library Association.

The April meeting of the Friends will feature a guest speaker on the subject of fishing in Crawford County. Plan to join them on the third Tuesday.

High School Choir To Participate In District IX Choral Festival

The Grayling High School Choir will be one of many schools from all over northeastern lower Michigan, traveling to Roscommon to take part in the Michigan School Vocal Association's District IX High School Choral Festival, on March 26th. Also in attendance will be students from nine other high schools, making a total of more than 500 choir members who will take part in the day's adjudicated events and the evening public concert.

The day's program is to begin at twelve noon. The evening concert will be at 7:00 p. m.

The events of the afternoon are open to the public. There will be a small admission charge for the evening concert to help offset the expense of the festival, it was announced by Howard Taylor, choir director.

PEANUT PLAYOFF THURSDAY

The Peanut League playoff championship basketball game will be at 4:30 p. m. Thursday, March 24th at the Elementary School. No admission.

NOTICE

Glenn's Market will close for remodeling this Saturday, March 25 at 9 p. m. and remain closed Monday and Tuesday.

BOARDING FOR MACKINAW

Recently Perry Alkers of Grayling rode the NYC evening freight train from Grayling to Mackinaw City with several friends of the train's crew. He neglected to tell his son, LeRoy or any of his friends that he was going on the trip. He had spoken to his daughter a day or so earlier that he might ride up sometime, so did not go beyond that. When he returned later that evening, Perry found the City Police, State Police and Sheriff's officers all out looking for him. He reports that he never got a letter from friends in Florida asking about his trip up to the Straits.

Kiwanis Club Notes

By Wes LaGrow

The weekly meeting of the Kiwanis Club of Grayling was held on Monday evening at the Chief Shoppengons Motor Hotel. President Bruce Carlson announced that the meeting on Monday, April 11th would be held with members of the Frederic Fire Dept. at Frederic.

Members are to meet at the hotel in Grayling at 8:15 to pool car rides to the Frederic Town Hall for the session with the firemen. Privileged members please note.

A perfect attendance tab for 15 years was presented to Bob Bover for attachment to his membership pin.

MSEA ELECTS NEW OFFICERS

Donald Smock, Forestry Aide for the AuSable Forest, Department of Conservation, was elected president of the Grayling Chapter No. 28, of the Michigan State Employees Association for 1966-67 at the annual election of officers held Monday evening, March 14th, at the Chief Shoppengons Motor Hotel. He will take office in June, succeeding Gerard Roed, who has served during the past year.

Other officers elected were Mrs. Marian McMillen, Sec'y-Treasurer; Rex McMillen, 1st Vice President; Michael Handricks, 2nd Vice President. Elected to the board of directors were Mr. Roed, Forrest Annis and Johannes Peterson.

Due to the increase in membership of the local chapter during the past year, two delegates were selected to attend the General Assembly of MSEA to be held in Lansing in May. They were Mr. Smock and Mrs. McMillen. Mr. McMillen was selected as alternate delegate.

The next two meetings of Chapter No. 28 MSEA will be devoted to reading, discussion and voting on the various resolutions to be presented at the general assembly. All members are urged to attend. The April meeting will be on Monday, April 11 and the following meeting on May 9, 1966. Both meetings will be held at Chief Shoppengons.

FISH FRY FRIDAY

Board of Review to Remain in Session

The Crawford County Board of Supervisors was instructed by the Department of Administration of the state government recently to hold the Board of Review undisturbed for the rest of the month of March, for the purpose of accepting applications for Senior Citizens Homestead Tax Exemption. In a law passed and signed by the Governor March 18, 1966, to become effective immediately, additional types of dwellings now qualify for the exemption.

In anticipation of the many questions which the Board expects, the following general statements are made:

1. In instructions to the Board of Review an assigned member of the Staff of the Attorney General will render opinions as to what is legislative intent in the new law.

2. None of the amendments affect the status of those who have already been approved by the local Review Board under standards as originally enacted. The amendments affect only some of those who may have been unable to qualify earlier.

3. Once the local Board of Review has adjourned finally for the year, applications may no longer be received.

The amendments broaden eligibility in three ways:

1. Residence requirements are now five out of the last ten years instead of the last seven consecutive years. The phrase "7 consecutive" at No. 5 on the affidavit form should be crossed out by hand and "5 out of 10" inserted manually immediately below on any applications received hereafter.

2. Dwellings on the land of another are now eligible as homesteads, subject to exactly the same limitations of combined homestead and total real property holdings in Michigan as other homesteads. Evidence of ownership should be either a bill of sale or tax receipt for the prior year. Trailer coaches or mobile homes are not eligible unless located on land owned by the person claiming exemption.

3. Persons who reside and hold certificates of membership in a cooperative apartment are now eligible subject to standards, and limitations applicable to other homesteads.

In general, except for cooperative apartments, no exemption can be claimed except by the person legally liable for the taxes.

The amended law requires apportionment of the state equalized value of a homestead unit in a cooperative apartment from the total state equalized value of the cooperative.

Residents should contact their Board members.

Designate Camp Grayling For Detection Instrument

Ten National Guard armories in Michigan have been designated as exchange centers for radiological detection instruments used in the state's civil defense program. Col. Frederick E. Davids, State Police director who also is Michigan director of civil defense, reported.

A calibration and maintenance program for these instruments is now underway. The National Guard will operate the exchange centers and transport instruments to and from Lansing where the maintenance and repair shop will be located at the 119th Field Artillery Armory on Marshall Street. Camp Grayling will be a depository for one of the instruments.

Marriage Announced

Mrs. Ethel Fox of 716 Greenwood Ave., Jackson, would like to announce the marriage of her daughter, Sally Diana Nelson, to Joseph John LaVerne of Kalamazoo. Sally and Joe were united in marriage at 8:00 o'clock, Saturday evening, March 12, 1966. Joe is employed by the Inn Company and is working at the Hotel Hayes in Jackson.

Sally is working with Metropolitan Life Insurance Company. They are presently making their home at 112 E. Morrell St., Jackson.

Mr. and Mrs. Don K. Gethro announce the engagement of their daughter Karen Jean, to Ted R. Carlson. Ted is the son of Mr. and Mrs. Russell Carlson of Howell. Both are students of C. M. U. Karen is affiliated with Alpha Xi Delta Sorority and Kappa Delta Phi, educational honorary fraternity. Ted is a member of Sigma Tau Gamma fraternity.

Charles Corwin, Resident Of 76 Years, Succumbs

Charles Wesley Corwin, a resident of Crawford County for seventy-six years, passed away at Mercy Hospital Friday morning, March 18, 1966 at the age of 82. He had entered only the day before for a checkup, but had been in failing health this winter.

Mr. Corwin was born April 12, 1883, in Wayne County. He accompanied his parents, Amos B. and Sarah J. Corwin, to Crawford County at the age of six. They settled on the farm on the Four Mile Road in Grayling Township where Mr. Corwin spent his lifetime. He operated a dairy business for better than a quarter of a century, and established the first dairy route in Grayling in 1922, continuing that until 1942.

He continued to raise crops for a while after that, and raised a truck garden every year, including last summer. Mr. Corwin was a 65-year honorary member of the Crawford Grange, and had been a member of its legislative committee since 1959. Also held the office of Assistant Steward and Overseer, and was business agent for the Grange insurance company.

Charles Corwin and the former Carrah Ellen Barber of Pere Cheney were married on February 26, 1908, in Grayling. They reared a family of six sons and one daughter. Mrs. Corwin passed away in March of 1946 after a three-year illness. Mr. Corwin was married again in June, 1947, to Mrs. Myrtle Robinson. The couple continued to live on the Corwin farm until a few years ago, when they began spending the winter months with members of his family. This winter they had moved into an apartment at 708 Tonia Street for the cold weather months.

Surviving are Mr. Corwin's widow, Myrtle; six sons, Everett of Flint, Ernest of Cadillac, Arthur and Charles, Jr. of Saginaw, Donald of Clinton and Eugene of Flint, a daughter, Mrs. Frances Baker of Clio, a stepson Merrill Robinson of Pontiac and a stepdaughter, Mrs. Mildred DeWitt of Lansing, twenty-seven grandchildren and twenty-six great grandchildren, also a sister, Mrs. Celia Granger, and brother, Nelson Corwin, both of Grayling.

Funeral services were held at two o'clock Monday at the Michelson Memorial Methodist Church, with the Rev. John W. Smith officiating. Burial was in Elmwood Cemetery with Alvin Moore, Ernest Perogrine, Homer Annis, Forrest Annis, Albert Schreiber and Earl Broadbent serving as pallbearers.

"it pays to know"

FIRE IS ONLY ONE OF THE RISKS A HOME-OWNER FACES! There are other major risks you face as a homeowner. Serious losses can also result from storms, thefts, and from damages to others for which you are liable. So it pays to be fully protected. And it pays to know that a State Farm Homeowners Policy gives you this full protection at a remarkably low cost. So ask me about it today!

NOTICE OF ANNUAL TOWNSHIP MEETINGS

Notice is Hereby Given That the Annual Township Meetings of the Electors of the TOWNSHIPS LISTED BELOW, COUNTY OF CRAWFORD State of Michigan, will be held at the places indicated below, on

SATURDAY, APRIL 2
1966

TAKE NOTICE — Though laws enacted by the 1944 Michigan Legislature cancel the election in even-numbered years, the law stipulates that the regular Annual Township Meeting shall be held each year.

Some of the requirements set forth by statute concerning the Annual Township Meeting are:

SECTION 3007 — The electors of each election district in each township shall meet in the afternoon or evening at the polling place . . . and there transact such business as is usually transacted at Township meeting, by viva voce vote.

SECTION 1015 — All accounts audited by such (township) board shall be . . . produced at the next Annual Township Meeting and there read by him (the clerk) if the same shall be required by the meeting.

WHO MAY VOTE — Section 1050: Each inhabitant of any township, having the qualifications of an elector as specified in the constitution of this state, and no other person, shall have a right to vote on all matters and questions before any township meeting.

CONDUCT OF MEETING — Section 1032: . . . The Supervisor, if present, shall be the moderator of the meeting, and if he shall not be present . . . the meeting . . . may elect a moderator.

SECTION 1033: . . . He shall decide all questions of order and make public declaration of all votes passed, and when any vote so declared by him shall immediately upon such declaration by him be questioned by seven (7) or more voters, shall make the vote certain by polling the votes, or by dividing the meeting, unless the township shall, by a previous vote, or by their by-laws, have otherwise provided.

SECTION 1034: No person shall address the meeting before permission obtained of the moderator, nor while any person is speaking by his permission; and all persons at such meeting shall be silent at the request of the moderator.

SECTION 1035: If . . . any person shall conduct himself in a disorderly manner, and after notice from the moderator shall persist therein, the moderator may order him to withdraw . . . and on his refusal, may order the constables, or any other persons, to take him into custody until the meeting is adjourned.

SECTION 1036: Any person who shall refuse to withdraw on being ordered by the moderator to do so . . . shall, for each such offense, forfeit a sum not exceeding twenty dollars.

CHALLENGED VOTERS — Section 1050: When any persons claiming the right to vote shall be challenged by a voter, the moderator shall proceed in the same manner as on challenges at the election of township officers.

IN ADDITION — A Hearing On The Proposed Budget Will Be Provided. A Copy Of The Proposed Budget Will Be On Hand For Inspection.

Letters To The Editor

Dear Editor,

You may be fully aware of what I have in mind but it keeps coming back to me so much that I think the rest of Crawford Co. should know.

As we were traveling from Kalkaska to Grayling a few days ago, my family and I noticed quite a few bottles and cans along M-72, so we thought we would count a few and the numbers we came up with I think were staggering, 20 to the mile average for 4 miles on one side of the road, and this was on top of the snow bank, goodness knows how many more are underneath the snow. If this were the average and if it is 25 miles to Kalkaska, round trip would make 50 x 20 equals 1,000 and that's a lot of junk and sure an eye sore. If these bottles and cans were not throw away's, and were worth a few cents a piece, I wonder how many would be there.

Truly Yours,
Ralph Hanna
Traverse City, Mich.
P. S. I wonder if your readers know how much it cost to pick up each bottle and can.

School Board Minutes

A regular meeting of the trustees of the Grayling Public School district was called to order in the principal's office at 8 p. m. February 14, 1966 by President LeRoy Millikin. Others present were Supt. Stripe and trustees: Pettyjohn, Smock, Thompson, Dosch, Henig, and Strong.

The minutes of the last regular meeting and the special meeting held January 24th were approved as read.

Checks numbered 5404 through 5555 in the amount of \$45,291.06 were unanimously approved for payment on motion of Thompson supported by Henig.

The true balance in the general fund as of January 31, 1966 was \$35,886.21; in the debt retirement fund \$40,361.49; building and site fund \$23,754.18; with a deficit in the hot lunch account of \$284.45.

Total lunches served for the month were 5,614; daily participation 295; lunches served free or at reduced rates 416; lunches served adults 256.

Personnel policies submitted by the teachers were discussed and some changes recommended. Regarding compulsory retirement for teachers age 65, these teachers can be hired only in extreme circumstances when another qualified teacher is not available.

Refund on less expensive light fixtures furnished by Kerkey Electric Co., approved for use by Davenport & Associates, Architects for elementary school, was accepted.

On motion of Dosch supported by Smock a payment of \$150 to Douglas Barley was approved for work done to date on gym aluminum installation. Bills for storage baskets for the gym locker room in the amount of \$757.98 and for kitchen supplies and oven in the amount of \$1,236.55 from the building and site fund were approved for payment on motion of Strong supported by Henig. Some work by Deming Co. still not acceptable.

As a result of confirmation being furnished that the necessary majority of the teachers comprising the Grayling Education Association wish the Grayling School Board to recognize the Grayling Education Association as sole negotiating agent for teachers in the school system, the following resolution was adopted on motion of Dosch supported by Pettyjohn:

WHEREAS the Grayling Education Association has petitioned this

Board for recognition as the exclusive representative for professional negotiating purpose of all employees who may logically be considered members of an appropriate professional employee unit;

AND, whereas it has been determined that the membership of the Grayling Education Association includes a majority of the professional employees of the school system,

NOW, THEREFORE BE IT RESOLVED that the Board of Education of the Grayling Public Schools recognize the Grayling Education Association as the exclusive representative for professional negotiations of all employees who may logically be considered members of an appropriate professional employee unit, and

BE IT FURTHER RESOLVED that the Superintendent and two Board members be authorized to negotiate a contract with the Grayling Education Association on behalf of, and subject to review and approval by, the Board of Education of the Grayling School District.

Copies of possible professional negotiating procedures were presented to the board to be studied and discussed at the March meeting.

A letter regarding legal counsel being retained by school systems on a cooperative basis within the C. O. O. R. district was tabled.

The possibility of an economical and functional transport unit for extra-curricular activities was discussed.

The proposed budget and possible teacher salary schedule was presented.

The acquisition of necessary equipment to provide a more comprehensive gymnastic program was considered.

The Supt. reported he was investigating the possibility of providing from the building and site fund a metal lathe for the shop classes and business machines for the commercial classes to help upgrade instruction in these areas.

The principals' teacher reports were heard.

Supt. Stripe was appointed legislative chairman to receive copies from the M. E. A. of new laws passed at the state and federal level pertinent to school problems and keep the board informed when they are applicable locally.

The Supt. announced the State Commission on School District Reorganization had approved the recommendation of the county K-12 study committee recommending a Frederic and Grayling School District merger. On motion of Dosch supported by Smock a May 16th election is recommended to decide the issue if agreeable with the Frederic School district.

A report from the Grayling Athletic Association questionnaire sent to 10 schools showed Mio, Kalkaska, Roscommon, Harrison and Lake City High Schools have baseball teams. Gaylord, East Jordan, Boyne City, Traverse City, St. Francis and Mancelona do not. Dr. Henig read a letter from Danny Litwiler, head baseball coach at M. S. U., offering his assistance. Henig to investigate a meeting date.

Supt. Stripe was given unanimous board approval to proceed with the necessary steps in obtaining a remedial reading program with guidance and counseling, for the remainder of this year, under the Elementary and Secondary Education Act.

Other minor matters were discussed. Meeting adjourned at 11:40 p. m. E. Strong, sec'y.

The Pollution Question

Not long ago, few people gave any thought to water. I — often, indeed, when the winter storms and the spring run-offs of snow appeared there was much too much. And the water, found in the rivers, springs and lakes, was generally clear and pure and perfectly fit for any and all of its uses.

There has been a great change. Most of the nation, is true, still has enough water, though in some areas potentially acute shortage problems have developed. Floods and massive storms still occur. But the quality of our available water has become a matter of almost universal concern. Contamination is the rule rather than the exception in many areas. And it is apparent at we can no longer dump our refuse, industrial waste, sewage and other contaminants into our water without inviting grave perils.

The measure of this concern was indicated in New York last November, when the voters approved by a 4-1 margin a \$1 billion bond measure to finance a cleanup of the state's waterways. This, significantly was the largest borrowing ever authorized in New York's history. And other states are now moving, in one way or another, to solve their growing and critical water-quality problems.

One important step lies in establishing classifications. After used for industrial purposes does not have to meet the standards of that which enters the home. New York, for instance, has laid down classifications for drinking, bathing, fishing and drainage which apply to all its streams and lakes.

Numbers of industries are actively working to upgrade our water resources. Several years ago, by way of example, the Manufacturing Chemists Association adopted a set of principles for water pollution control. It said: "The surface waters are one of the nation's most valuable, renewable natural resources. Proper control of stream pollution is one of the obligations of

responsible corporate citizenship. The chemical industry recognizes the community nature of water pollution control and desires to cooperate fully with the control agencies that are responsible for safeguarding the health and welfare of the people." The industry is pursuing an extensive program designed to help reach the needed goals.

One of the biggest questions involved in water pollution problem is just what force is going to assume the leadership and become dominant. It is obviously desirable that state and local governments, being conversant with the particular situations existing in their areas, take aggressive action, as is being done in New York. Otherwise a federal agency, under an act passed last year, will assume control. It is empowered to set standards of quality on interstate waters, unless the states themselves do so to federal satisfaction by June 30, 1967. The danger here has been described by Governor Bellmon of Oklahoma in these words: "Any attempt to 'standardize' water quality on a nationwide basis would likely disregard regional differences in water quantity, flow, location, natural characteristics, and usage." The unhappy results that could come from this are easily imaginable. That is why authorities urge that satisfactory standards and controls be established and administered at as low a governmental level as is workable.

State aid local governments, in other words, have no time to waste if they are not to abdicate their rights and responsibilities in this matter to the federal government.

Within a couple of weeks Corwin Auto Sales will have moved out and the Dore Manufacturing Co. will begin the occupation of their garage on Cedar Street. The need for more floor space makes this change necessary. Corwins will move into their warehouse on Ottawa Street near the rear of the Minnie Hartley store. The Dore Manufacturing Co. is now occupying the Ahman building and employing about 39 machinists. Additional contracts for war materials makes it necessary to employ more people. By the addition of the Corwin building they will be able to triple their force. They will need a number of women workers at the Corwin building where there will be a different type of work to do from that is now in progress at their present shop.

Of interest to Grayling friends is the marriage of Miss Elaine McDonnell, daughter of Mr. and Mrs. James McDonnell, and Mr. Paul Holmgren, Yeoman Second Class U. S. N. R. of Reed City, Monday evening, March 15, 1943 at the historic Little Church Around the Corner, New York City. The marriage rites were read by the Rev. Randolph Ray, D. D. Mr. and Mrs. Holmgren will reside at the Henry Hudson Hotel, New York City. He is stationed at the New York Port Director's Office.

Spring is here, but one would never realize it by looking at the huge piles of snow still on the ground. Eight foot snow banks still appear along the highways. Old timers claim this the longest winter on record, and we would add, one of the coldest.

In rites read in St. Mathews Evangelical Lutheran Church at Charleston, S. C., Miss Dorothy Joyce Hutchins, daughter of Mr. and Mrs. Harry Hutchins, became the bride of Ernest Klingbeile of Hancock, Mich., who is stationed at the Army Air Base at Charleston. The ceremony was performed in a candlelight service at eight o'clock in the evening Saturday, March 20th. The young couple had as their attendants, Pvt. and Mrs. John W. Leake. In the Area Class C basketball tournament finals at Gaylord last

Saturday night Grayling's Green Wave came through with flying colors in conquering Mancelona 26-12. In Class D Fairview defeated Roscommon 15-14 in a thrilling game to be crowned the champions. In gaining the championship Grayling led Mancelona all the way.

Miss Ingeborg Hanson is enjoying a vacation from her duties at the Grayling Lumber & Supply office, and is spending it in Lansing and other places. She left Thursday.

A robin has appeared at the Charles Corwin home, being first seen Wednesday. Mrs. Joseph Smith reported seeing some robins in the yard of her home Tuesday. She says they looked as though they were not enjoying the weather too much. Mr. Fred Barber at Wa-Wa-Sum called Wednesday to tell us that he had just seen one.

Roger Giegling, accompanied by his friend, Bill Louer both of Saginaw, spent the weekend with Roger's parents, Mr. and Mrs. Emil Giegling.

Miss Gloria MacNeven is home for the between-semester recess, visiting her parents, Mr. and Mrs. Harold MacNeven.

Mrs. Mollie Bosworth of Detroit spent the weekend visiting Mr. and Mrs. Carl Johnson and Mr. and Mrs. Clarence Johnson.

Staff Sgt. Frank May Jr. who is stationed in Chicago, spent the weekend visiting his mother, Mrs. Frank May Sr.

Mr. Russell Robertson, with 11 years of fish culturist experience at the Grayling Hatchery, was selected for promotion and has been transferred to take charge of the Marquette State Fish Hatchery.

Pvt. Norman Feldhauser of Fort Meade, Md., is visiting his parents, Mr. and Mrs. Rudolph Feldhauser and Pfc. John Feldhauser of Camp Blanding, Fla., his parents Mr. and Mrs. Edward Feldhauser.

Miss Mary-Jane Joseph is spending the spring recess from Michigan State College at the home of her parents, Mr. and Mrs. A. J. Joseph. Bill, who is in Camp Cluster, Battle Creek, was home for the weekend.

Dr. L. N. Allison, state fish pathologist of Grayling, spent the

week of March 17 to 20 at Escanaba, Michigan, checking on smelt mortality in that area. Although the smelt have been examined repeatedly in the pathological laboratories of both Michigan and Wisconsin, no evidence of disease can be found.

Mr. George Bielski has resigned at the Grayling Fish Hatchery, after 13 years at fish cultural work to accept a position in defense work at Detroit. Mr. C. W. King of Grayling will replace Mr. Bielski starting work this week.

Mrs. Archie Charron returned to Munising Wednesday after stopping at the home of her sister, Mrs. Kate Loskos for a few days visit. She was en route home from Flint after attending the funeral of her brother-in-law.

Six Crawford County men left Tuesday night for Camp Custer to start war service training. A send-off dinner was given for them by the U.S.O. at the Hanson Cafe on Monday night. It was a fish fry which all enjoyed. No program was given. Those in the group were Carl H. Nass, Albert H. Bentley, Edmund A. Rutkowski, Junior E. Palmer, Edwin R. Funck and Jack W. Hall.

Pvt. Leon E. Lowe of Camp Campbell, Ky., was home visiting relatives and friends on a ten day furlough.

Girl, visiting repair shop, "What is that enormous thing?" Engineer, "That is a locomotive boiler." Girl, "Why do you boil locomotives?" Engineer, in disgust, "To make the engine tender."

Miss Margrethe Bauman and Mr. and Mrs. O. W. Hanson entertained the ladies and gentlemen of the bridge club at a very delightful dinner Wednesday evening. Spring flowers were used in the living room and dining room. Following the dinner, bridge was played with high scores going to Mrs. Charles Moore and Dr. C. G. Clippert. Guests of the club were Mrs. Henry Wilcox, Mrs. Robert Hayes and Mr. Wilhelm Raab.

"Simplicity is the keynote of the new meats and fats rationing program just announced by the Office of Price Administration," Mrs. Bessie Peterson, chairman of the local War Price and Rationing Board, said today. "Housewives will have no difficulty in shopping with their red ration stamps in Book Two when the new program goes into effect on March 29." Although the ration list includes a wide variety of foods including all meats and many cheeses as well as shortenings and salad oil, butter and margarine, canned fish and many other items, it will really be a simple matter. All these foods will be rationed with a single set of stamps and the busy housewife will have to consult only one table of point values to find out how many ration points any of these foods will cost. Point values for the entire list of foods rationed in Crawford County will be the same as in every retail store in the country.

Miss Ada Ryan of Detroit is a guest at the home of her sister, Mrs. A. J. Joseph. Mrs. Allyn Kidston and daughter Ada returned Friday from a visit in Bay City.

Mrs. Charles Tromble returned Friday from Royal Oak after spending last week with her daughter, Mrs. Guy Bradley and family.

Mrs. Frank Bridges left Saturday for Bay City to visit her husband who is employed there.

Miss Lillian Smith is the new clerk at Petersen's grocery.

Mrs. C. R. Keyport and Mrs. C. A. Canfield entertained the Bridge Club at the home of the former Tuesday afternoon. At six o'clock

the gentlemen joined the party and a fine dinner was served. There were 32 present. After dinner bridge was enjoyed. Mrs. Charles Tromble won the prize in the afternoon and in the evening Mrs. Marius Hanson and O. P. Schumann held the high scores.

A number of friends of Miss Verma Biggs enjoyed a surprise party in her honor Saturday evening. Her birthday fell on Sunday. It hardly seems possible that a

week ago there was fine sleighing here in town and today there is hardly a patch of snow.

Miss Margrethe Bauman left on Saturday for Detroit after spending a week here. William Hyman Joseph arrived Sunday afternoon at Mercy Hospital. His parents, Mr. and Mrs. A. J. Joseph are already very fond of him and if there is a happier father than Abe we haven't heard of him. Bill weighed 8 1/2 pounds.

LEGAL NOTICE STATE OF MICHIGAN

The Probate Court for the County of Crawford Estate of John Maslowski, Deceased.

It is Ordered that on Monday, April 11, 1966, at 10:00 A. M., in the Probate Courtroom Grayling, Michigan a hearing be held on Petition for appointment of Administrator given to Leo E. Lovely, County Public Administrator. Publication and service shall be made as provided by Statute and Court Rule. Dated: March 18th, 1966.

John Maslowski Succumbs March 17

John Maslowski, 82, a Grayling resident for the past fifty years, passed away at the Smiggins Hotel, which was his residence, on Thursday, March 17, 1966. Funeral services were held at 10 o'clock on Saturday, March 19 at St. Mary's church, of which he was a member. The Rev. Fr. William McKnight officiated, and burial was in Elmwood Cemetery, with nephews of the deceased serving as pallbearers.

Mr. Maslowski was a native of Poland, born there October 25, 1883. He had never married. He worked as a millhand at Kerry and Hanson mill until it was discontinued around 1950. He lived for a time in Gaylord before coming to Grayling. He is survived by several nieces and nephews.

Nice to see the Jack Spears of Saginaw, up looking over their cabin and visiting the Bud Bollman family over the weekend.

Mr. and Mrs. Leonard Nausbaum had as guests Mrs. Nausbaum's mother and father.

Nice to see Mrs. Nora Pollard of Swartz Creek and her sister from Utah up for a week. Mrs. Pollard intends to go back with her sister and later to return here for a while.

Our beautiful spring-like sunny Sunday was surely enjoyed by all. The Fred Herricks surely have been feeding a great variety of birds and one squirrel. Now two robins are around. Welcome to our feeders, "Birds".

Mr. and Mrs. Niche are up to their cabin for a few days. Don Poorman and daughters of Saginaw spent the weekend with their parents and grandparents the Wm. Poorman's.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Dosch and the entire staff of Mercy Hospital for their care and for cards and visits of dear friends. Malvina Hoover

Mrs. Bates of Gaylord spent a week with her son Mr. Eldridge and family. While there she purchased Mr. and Mrs. Edward Croff's house trailer. The Croffs have moved to Pontiac.

Robert Hodge and son of Lansing spent the weekend at their cabin on Fletcher Road.

I goofed. Sorry Anna Mae, I had you in the wrong place and time. She was in Fraser with the John Friends.

There were 28 people attending the Board of Review. There were only two to sign the complaint not being happy after things were explained to them.

Mr. and Mrs. Donald Smith spent a week at Walled Lake visiting Lucy Perkins.

Mr. and Mrs. Andrew Davis of Alpine visited her brothers Mr. and Mrs. Rack Reichelderfer and Mr. and Mrs. Serge Reichelderfer.

Mr. and Mrs. John Freund spent the weekend visiting both their parents, the Andie Neilsons and Mrs. Carl Freund.

Sorry to hear Mrs. Nellie Buccellato is on the sick list. Hurry and get well Nellie.

Mike Galloway and sister Juanita of Flint spent the weekend with his folks the Frank Galloways and

his grandmother Mrs. Nellie Canfield.

Bill Reichelderfer spent the week end with his parents, Mr. and Mrs. Serge Reichelderfer.

Happy Birthday this week to Elder Eldridge and Happy Anniversary to Susie and Alva Henderson.

Weekend guests of the Arthur Howes were Mr. and Mrs. Van Amber and family.

The William Merithews, the Alvin Browns and Wilbur Eldridge spent Sunday afternoon at the Jack Robideaus in Roscommon having a birthday party on Monty Sue.

Band Candy Sale

The Grayling High School Band concluded their candy sale the past week. The students from the Sixth grade band up to the Senior band took part in this sale. Prizes were given to the best sellers as follows: \$15 for the highest seller, \$10 for the second highest, and \$5 were given to the next five highest.

The sale was a big success and with the money we are buying four new field drums for the band. Mr. Christian has already ordered them, also straps and cases for them. We will be getting them sometime during the summer.

This is the heating element on an electric
range. You can set it at high, medium-high,
medium, medium-low and low. It takes a while
to reach the desired temperature, of course.
And quite a while to cool after you turn it off.
It's difficult to keep it clean. And it's the most
expensive way to cook.

This is the burner on a modern Gas range. It
gives you an infinite number of heat settings.
Turn it on and immediately you get the exact
controlled heat you want. Turn it off and it
cools almost at once. You can remove the
entire assembly and wash it in your dishpan or
dishwasher in a matter of minutes. And it's the
least expensive way to cook. See the new Gas
ranges at your dealer's or Michigan Consolidated
Gas Company showrooms.
And remember: because it's so controllable,
GAS MAKES A GOOD COOK BETTER.

Series of Cultural Programs Scheduled at Grayling High

Several cultural programs, in which the creative and artistic talents of the Grayling youth will be displayed, are scheduled for the latter part of next week in the Grayling High School auditorium.

STYLE SHOW

On Thursday evening, March 31, the Home Economics Department of Grayling High School, under the direction of Mrs. Jean Compton, will present its fifth annual style show, beginning at 7:15 p. m. The theme of the show will be "Time Marches On," showing the changing styles over the years. This year the show will be open to all who are interested, both men and women. Parents and friends from the community are cordially in-

ited to attend and view the original creations of the Home Economics students. Among the clothing to be modeled are sportswear, street wear, and formal dress attire. Martha Fox is serving as chairman for this program. Refreshments will be served at the annual coffee hour.

ART SHOW

Simultaneously with the style show, the Second Annual Art Show will feature representative work from beginning and advanced art classes. The show, under the direction of Garrett Bufe, art instructor, will be much larger this year than last and will display a wider range of art media. The art exhibit will be on display in the mezzanine of the auditorium. If you enjoy original art, whether it be oil paintings, ceramics, or any other of the many facets of the creative arts, you will certainly want to visit this second annual exhibit.

Last spring many of the local high school art exhibitors went on to win honors at a state exhibit held in Flint following the local showing. The art show will also be in progress on Friday and Saturday evenings, April 1 and 2. You are welcome to visit the art show either prior to the Sophomores' spring play or immediately afterwards, as well as at its opening on Thursday evening.

THREE-ACT COURT DRAMA

This series of cultural programs is climaxed with the production of a three-act play, "The People vs. Maxine Lowe", which will be presented at 8:00 p. m. on Friday and Saturday, April 1 and 2. For those who enjoy dramatic courtroom mystery of a psychological nature, such as the television programs, "The Defenders" or "Perry Mason," a real treat is in store for them. The art department has literally transformed the stage into a realistic courtroom, a setting that promises to surpass any that have been erected here in recent years.

Leading roles in the production of the three-act drama are played by Douglas Wilson and Larry Beery, who portray the District Attorney and Defense Attorney, respectively. The title role of Maxine Lowe is played by Kathy Marshall. Playing the second female lead is Sandra Millikin, as the Assistant Prosecuting Attorney. The court trial is presided over by Fenn Welch, as Judge John Weston. A total of more than thirty members make up the play cast. As many more members of the Sophomore Class are engaged in the production aspects of the drama.

Set design and construction of scenery for the play are being handled by Garrett Bufe and his art classes. Mrs. Jean Compton and her home economics students are in charge of costumes and make-up of the actors. Members of the make-up and costume committees are Mary Bohannoy, Kathy Bourrie, Sandy Burkett, Terry Denewitt, Dorothy Filley, Martha Fox, Vicki Gildner and Marilyn Johnson. Dianne Elenbaas is director of make-up and Dorothy Filley is in charge of costumes. Paul King is the stage manager, assisted by Ben Pettyjohn, Steve Walters, Mark Dubeau and David Goss. Deyanne Gibson is the Business Manager, working under the direction of Mrs. Faith Stripe, Class Advisor. Nancy Brown is in charge of tickets, and Sally Behov is publicity chairman.

Patrons of the cultural arts are invited to attend all of these programs, which display the creative talents of the youth of Grayling. More than fifty per cent of the high school student body have been actively involved in bringing these cultural programs to the public. They are hopeful that a large turn-out of patrons of the arts will be present for these scheduled events.

Mrs. Louise Smith, Mrs. Roy Wolcott and Mrs. Al Stephan visited Mrs. Emma Ingram in Gaylord Wednesday, March 16th, to help her celebrate her birthday anniversary.

Grayling High School Choir Casts Broadway Musical

Earlier this week members of the Grayling High School Concert Choir and other members of the student body, began rehearsals on the Broadway Musical, BRIGADOON, by Alan J. Lerner and Frederick Loewe. Extensive rehearsals will shortly be underway to get this fine musical ready for presentation in the High School Gym on May 20 and 21. Lerner and Loewe are the composers of several other well known musicals such as, My Fair Lady and Camelot. They also wrote the musical Gigi for the screen in Hollywood.

Brigadoon first opened at the Ziegfeld Theatre on March 13, 1947 where it played for 581 consecutive performances before it closed. It was later revived on Broadway two times, once in 1957 and once in 1965. Both of these openings were highly successful. Brigadoon has also been made into a motion picture and the recorded collection of numbers from the show still remain one of the most popular records in stores throughout the nation and abroad. Brigadoon was the first musical to receive the Drama Critics Circle Award as the best musical of the year.

Leading roles of the Grayling High School production of Brigadoon are: Bob Ashman, Mike Worden, Terry Wright, Anne Marie Church, Kay Jansen and Linda Christian. Student Director is Janice Beery and the business manager is Linda Rutkowski. Choreography for the show is being done by Loraine Lietz. Brigadoon is under the direction of Mr. Howard Taylor, Director of Vocal Music at the High School.

On Sunday, March 27, many members of the Grayling High School Brigadoon cast will be traveling to Grand Rapids to see the Grand Rapids Civic Theatre's presentation of the same show.

A NOTE OF THANKS

My dear wife died a year ago. Now there's just myself and my little daughter Janice. Don't feel sorry for us, though, because we're managing pretty well.

Last year when the blow came, I admit I went to pieces. We'd only lived in the neighborhood for a few weeks, and it's hard to say what would have happened if it hadn't been for our church. Suddenly I was surrounded by friends. The minister came at once with convincing words of comfort that helped me to face life again. His wife alerted other members and they brought meals, laundered clothing, took care of Janice, and ultimately found the wonderful elderly housekeeper we have now.

I had never given much thought to the meaning of Christian fellowship. Today I know that miracles of kindness can result when people unite in following the "perfect pattern" of self-sacrifice and unquestioning love.

Woman's Club

The Grayling Woman's Club met Monday evening at the clubhouse with president Mrs. Dale Hatt presiding. Mr. Emil Kraus, Judge of Probate, was the speaker. He explained the activities and duties of the Probate Court. Concerning the juvenile problem, parental neglect is Crawford County's most evident feature. A question and answer period followed.

Special guest was Mrs. Adden Kelly of Lincoln Park.

Members are to bring rummage for marking the morning of April 14, as a sale follows on April 15 and 16.

Lunch hostess was Mrs. Jack Wainwright. A pink floral arrangement in milk glass holder was used as a centerpiece with complimenting pink tapers.

Mr. and Mrs. Russell Stump of Cadillac spent Wednesday last with their aunt Mrs. Harry Hedrick. Mrs. Glen Nolan returned home Sunday after spending last week in Lansing visiting her father, Charles Yarger, 92 years old and still in good health. She also visited friends and relatives including Mrs. Phil (Madeleine) Smith, several party and dinner engagements and the show "Sound of Music." Mr. Nolan and Mrs. T. P. Peterson drove down Friday, the latter to visit her daughter, the Ed Martins. They stopped on the way home to see Mrs. Edna Hanson in Shepherd

Monsieur Jean Bauchet is an art collector and a connoisseur of fine automobiles. He understands that quiet in a car means quality. After driving a '66 Ford XL, he said, "They would not have to make Paris streets so smooth if all cars rode like this."

Who says a '66 Ford rides quieter than Jean Bauchet's \$12,000 Facel Vega?

Jean Bauchet!

Ford's Quiet Man, who recently toured Europe demonstrating the exceptional quality of the '66 Ford to owners of some of the world's most expensive cars, here discusses a '66 Ford XL. A Monsieur Bauchet outside of Monsieur Bauchet's Paris home.

"Such smoothness, such silence,"

says Jean Bauchet. "Your Ford is quieter, M'sieu."

Ford's quiet quality is the result of advanced engineering features like a revolutionary new frame that "tunes out" road vibrations... the strongest body ever on a Ford. But the quiet ride is just one of many reasons why you're ahead in a Ford all the way. Only Ford in its class offers a Stereo-Sonic Tape Player option that

brings you over an hour of uninterrupted music of your choice, on each self-threading, snap-in tape cartridge. A Magic Doorgate for wagons (standard equipment) that opens out like a door and down like a tailgate, depending on whether you are loading kids or cargo. A Silent-Flo Ventilation (on 4-door hardtops) that

brings in fresh air and gets rid of smoke and stale air with the windows closed. A Even Ford's keys are special—they're double-edged so they fit in locks either side up. Visit your Ford Dealer and test-drive a '66 Ford. See how many ways Ford can put you ahead in '66.

You're ahead in a **FORD** all the way!
